**EMERGENCY AID APPEAL
ARMENIA 2024**

IPA Section Armenia request for aid:

Dear friends,

I extend my sincere gratitude for affording me the opportunity to address the IPA family. As previously discussed, the current situation in Armenia demands our immediate attention. It is imperative that we call upon the IPA team to investigate the emergency situation arising from the aftermath of the war and the resulting blockade.

As you may know, many families were affected, and numerous individuals were compelled to flee their homes, leaving behind their life's earnings in a desperate effort to escape the threat of armed forces. Furthermore, many IPA members police officers have tragically lost their lives or sustained severe injuries.

I kindly request that you disseminate this message to all our IPA members across the globe, enabling us to effectively raise awareness and support for this pressing issue.

Should any additional information be required on this matter, we are prepared to furnish it promptly. Attached, you will find the completed application you provided.

We deeply appreciate your swift response in aiding those who have endured significant hardship and loss.

Thank you for your dedication to this noble cause.

Warm regards,

*President IPA Armenian section
Grigor Sargsyan*
