## Hosting Section Meeting

**September 4-7, 2026**

The Portuguese Section invites all IPA Sections to join us at this meeting to share information, questions, and ideas on how to better serve our members.

This meeting represents an excellent opportunity for all Sections to interact and collaborate.

In particular, Sections that host IPA Houses are encouraged to participate, as this provides a valuable forum to discuss and coordinate administrative matters related to accommodation options, including reservations, facility management, and promotional activities.

We look forward to seeing you there.

In order for us to welcome you all to the IPA National House, we would appreciate it if you could share rooms so that we can all stay together, as our house has rooms with 2 and 3 beds, thus increasing the accommodation capacity.

At the IPA National

and

JAM Hotel in Lisbon, Portugal
